VelaShape™ Your Body

Proven Safe Effective

Treat yourself to a smoother sexier figure !

VelaShape™ Experience the only complete non-surgical alternative to liposuction.

The first and only non-surgical FDA-cleared medical device for Circumferential Reduction* and Cellulite Treatment.

VelaShape offers a non-surgical, no downtime and virtually painless treatment for the Body Reshaping and Cellulite Treatment market. VelaShape contours, shapes and slims the body by improving cellulite and reducing circumference in as few as 4 treatment sessions

VelaShape™ is the only FDA cleared device that safely delivers heat to the fatty tissue to reduce cellulite and firm problem areas. The Vela Shape™ provides dramatic results without downtime or significant discomfort.

Announcing Dimitra's Educational Seminars

Many of our clients have shown a great desire to learn more about Medi-Spa services:

- Anti-aging, the latest medical and aesthetic techniques to achieve and maintain healthy youthful skin.
- Mirror mirror on the wall, who's the most unwrinkled of us all" – understanding Botox and fillers.
- A facial Guidebook: types and procedures, from acne to oxygen to microdermabrasion and LED's.
- Help, its summer time and I want to look good, what can I do about my cellulite.
- What's really in the myriad of creams that I put on my face every day, which ingredients and products do I need.
- Can I benefit from the new ayur-medic products and techniques.
- I definitely need to distress, can massage or guided imagery really help me achieve my goal.

We will kickoff our lecture series with an overview session on anti-aging, then each month delve into a different area of interest. Dr. Andrew Wagner, MD, and Dimitra Wagner will be your guide, and the Q & A sessions should be lively. We guarantee you a fascinating interesting, and thoroughly enjoyable time on the 1st Tuesday of every month.

**WE FINISH EACH SEMINAR with a "THANK YOU" RAFFLE
LOTS OF GENEROUS GIFT CERTIFICATES TO DIMITRA'S**
